

ELK Lifting Cushion

The ELK is a lifting cushion designed to lift from the floor.

Product code: MPCA070200

Easy to use

- Lifting cushion is inflated using an Airflo Compressor with a simple hand control
- Simple to use, requiring very little training
- Suitable for use inside or out
- Can be used by one carer

Improves wellbeing

- Provides a safe, dignified lift for a fallen person
- Reduces the risk of musculoskeletal injury for the care giver
- Can be used in confined spaces where traditional lifting equipment may not fit

Safe lifting

- Lifts the frailest person up to 980 lbs from the floor
- Exceptionally rigid and stable
- Ideal for care giver of individuals with neurological disorders who fall regularly

Simple to maintain

- Clean using a proprietary non-abrasive mild liquid cleaner.
- Easy to deflate, fold away and store
- The Riverseal® material is designed to an exceptionally high standard, with extraordinary durability, strength and performance in the toughest environments.
